

Championship Bounce

20-25% more ball retention

Consistent Aim

Two times better aim

True Roll

Smoother rolls that are truer and closer to natural grass

UV-Resistant

Protects against harmful UV rays and extends the life of the turf

Our Golden Bear Turf is the ultimate in quality, look and performance for synthetic turf products and delivers consistency in playability for the professional and amateur golfer. This high-level artificial turf bounces, rolls, and receives the ball just like a natural green. Shot after shot, Golden Bear has the most accurate aim of any putting surface.

5 YEAR WARRANTY

Southwest Greens International warrants to the original purchaser of the turf that for five (5) years from the date of synthetic turf installation, the turf, when installed and maintained as recommended by the yarn and turf manufacturer, will retain at least 50% of its pile fiber. If any area or portion of the turf substantially changes, as distinguished from a change in texture, or if pile heights decrease 50% or more within five years after its initial installation, Southwest Greens International will have all such areas or portions replaced with new turf of equivalent quality, excluding installation costs. Southwest Greens International also warrants that at the time of the initial turf installation, the synthetic turf will be free of manufacturing defects. Slight color changes will occur over the lifetime of this turf/carpet and is not considered an issue or basis for claim. All labor cost involved with the removal of the affected turf/carpet and reinstallation of the replacement will be the responsibility of the purchaser.
